

Chaperone Training – Non Accredited.

Qualification overview

This Chaperone course is designed for those who might take the chaperoning role primarily, for health care assistants (HCAs) and other members of the broader health care team who are involved in chaperoning patients as part of their role.

The content covers what is understood by the term chaperone, why a chaperone needs to be present, the role and responsibility of the chaperone and the rights and concerns of patients.

Entry requirements

Learners must be at least 16 years of age to achieve this qualifications.

What equipment and software are required to complete the course?

Laptop / computer / iPad / android tablet

Plus access to:

- Internet
- Speaker and microphone
- Active personal Gmail email address (if not please set one up before application)
- Google Drive

If you are working from home:

Access to Google docs, hangouts, google email & presentation and meetings.
