## Don't forget to complete the questionnaire

We are looking to gather views from dentists and practice staff to inform our decision making around career development, upskilling and training opportunities that we will deliver through the academy.

Please help us by completing the following short questionnaire by 5th November 2021.

## What is the North Wales Dental Academy?

The academy is not a physical space; it is a driving force with the aim of improving recruitment, retention, training & upskilling of all dental staff working across the North Wales region.

Established in November 2020.

Working in partnership with Health Education & Improvement Wales, All Wales Faculty of Dental Care Professionals, Bangor University and Welsh Government.
